Work Experience

Temple University   Philadelphia, PA
Research Assistant   May 2024 – Present
• Improved model training efficiency by collecting and organizing 105 entity relationship diagrams, enhancing the accuracy of AI training datasets
• Ensured high quality inputs for machine learning models by preparing data, reducing errors

Temple University   Philadelphia, PA
Teaching Assistant   January 2024 - Present
• Strengthened 32 students' understanding of the Discrete Math course by giving precise feedback and inspecting homework mistakes for topics that needed to be reviewed
• Accelerated student progress by diverting focus to concepts students needed more help with via analysis of homework for common mistakes

Golden Slipper Camp   Stroudsburg, PA
Senior Counselor   June 2023 – August 2023
• Maintained safety by supervising different groups of 4-10 children throughout the day
• Provided a safe and fun learning experience at activities by implementing safe practices and teaching fundamentals
• Facilitated efficient completion of tasks by communicating concerns and progress with other counselors
• Improved interactions between campers by mediating disputes and instructing on anger management techniques and general interaction etiquette

Volunteer Work

Golden Slipper Camp   Stroudsburg, PA
Counselor in training   June 2021- August 2021
• Stepped up as a leader in each bunk
• Instructed and guided different groups of 5-10 campers in activities such as ultimate frisbee
• Gained the respect of children and co-counselors as a new counselor
